ARTICLE 2 — SCOPE OF SERVICES

2.1 The Service Provider shall design, develop, test, deploy, and maintain a cloud-based enterprise resource planning (ERP) platform for the Client, as detailed in Schedule A. The Service Provider must complete all milestones strictly in accordance with the Project Timeline set forth in Schedule B.

2.2 The Service Provider shall assign no fewer than fifteen (15) qualified engineers, at least five (5) of whom must hold relevant certifications, to perform the Services at all times during the Term.

2.3 The Service Provider is strictly obligated to comply with all applicable laws and regulations, including but not limited to the Information Technology Act, 2000 (India), the General Data Protection Regulation (EU) 2016/679, the California Consumer Privacy Act (CCPA), and all applicable Singapore Personal Data Protection Act (PDPA) requirements.

2.4 The Client may, at its sole discretion and without incurring any liability, issue written change orders modifying the scope of Services. The Service Provider must commence work on any approved change order within five (5) business days of receipt.

ARTICLE 3 — PAYMENT TERMS AND INVOICING

3.1 The Client shall pay the Service Provider a fixed monthly retainer of USD 450,000 (Four Hundred Fifty Thousand United States Dollars), payable in advance on the first business day of each calendar month, without deduction, set-off, or counterclaim of any kind whatsoever.

3.2 In the event the Client fails to make any payment when due, the Service Provider shall be entitled to charge compound interest on the overdue amount at the rate of 2.5% per month (thirty percent per annum), calculated from the due date until the date of actual payment, without prejudice to any other right or remedy.

3.3 All payments shall be made by SWIFT wire transfer to the Service Provider's designated account. The Client shall bear all bank charges, taxes (including GST at 18%), and currency conversion costs associated with each payment.

3.4 The Service Provider shall issue GST-compliant invoices in accordance with the requirements of the Goods and Services Tax Act, 2017 (India) and shall maintain all records required under the same for a minimum period of seven (7) years.

3.5 The Client guarantees payment irrespective of whether the Client has itself received payment from its own end customers. Payment is not contingent on the Client's business performance or the achievement of any commercial objective.

ARTICLE 4 — INDEMNIFICATION

4.1 The Service Provider shall indemnify, defend, and hold harmless the Client, its directors, officers, employees, agents, successors, and assigns from and against any and all claims, damages, losses, costs, expenses (including reasonable attorneys' fees), judgments, fines, and liabilities of any kind arising out of or related to: (a) any breach by the Service Provider of its representations, warranties, or obligations under this Agreement; (b) any infringement

or alleged infringement of any third-party Intellectual Property Rights caused by the Deliverables; (c) any gross negligence or wilful misconduct of the Service Provider or its personnel; (d) any breach of applicable data protection laws; and (e) any death or personal injury caused by the Service Provider's acts or omissions.

4.2 The Client shall indemnify, defend, and hold harmless the Service Provider from and against any claims arising from: (a) the Client's use of the Deliverables in a manner not authorised under this Agreement; (b) the Client's breach of any third-party licence obligations; and (c) any fraudulent misrepresentation by the Client.

4.3 Each party's indemnification obligations shall survive the expiration or termination of this Agreement for a period of six (6) years.

4.4 A party seeking indemnification must provide prompt written notice of the claim, cooperate fully with the indemnifying party, and grant the indemnifying party sole control of the defence and settlement of the claim, provided that no settlement shall be made that imposes any obligation on the indemnified party without its prior written consent.

ARTICLE 5 — LIMITATION OF LIABILITY

5.1 NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT, NEITHER PARTY SHALL BE LIABLE TO THE OTHER FOR ANY INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE, EXEMPLARY, OR CONSEQUENTIAL DAMAGES OF ANY KIND, INCLUDING BUT NOT LIMITED TO LOSS OF PROFITS, LOSS OF REVENUE, LOSS OF DATA, LOSS OF GOODWILL, OR BUSINESS INTERRUPTION, EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

5.2 The total aggregate liability of the Service Provider under or in connection with this Agreement, whether arising in contract, tort (including negligence), misrepresentation, restitution, or otherwise, shall in no event exceed the greater of: (a) the total fees paid by the Client to the Service Provider in the twelve (12) calendar months immediately preceding the event giving rise to the claim; or (b) USD 2,000,000 (Two Million United States Dollars).

5.3 The limitation of liability set out in Clause 5.2 shall not apply to: (a) liability for death or personal injury caused by negligence; (b) liability for fraud or fraudulent misrepresentation; (c) liability arising under the indemnification obligations in Article 4; (d) wilful breach or gross misconduct; or (e) breach of confidentiality obligations under Article 7.

5.4 Each party acknowledges that the limitations of liability in this Article reflect a reasonable allocation of risk and that neither party would have entered into this Agreement without such limitations.

ARTICLE 6 — INTELLECTUAL PROPERTY AND OWNERSHIP

6.1 All Deliverables created by the Service Provider specifically for the Client under this Agreement shall, upon full payment of all fees due, be deemed works made for hire and shall be exclusively owned by the Client. The Service Provider hereby irrevocably assigns to the Client all right, title, and interest in and to such Deliverables, including all Intellectual Property Rights therein.

6.2 The Service Provider retains exclusive ownership of all pre-existing proprietary tools, frameworks, libraries, methodologies, and background intellectual property ("Background IP") used to create the Deliverables. The Service Provider grants the Client a non-exclusive, non-transferable, royalty-free, perpetual licence to use the Background IP solely to the extent embedded in and necessary to use the Deliverables.

6.3 The Service Provider warrants that the Deliverables shall not infringe any third-party patent, copyright, trademark, or trade secret rights existing as of the Effective Date. In the event of any infringement claim, the Service Provider shall, at its option and cost: (a) procure the right for the Client to continue using the Deliverables; (b) modify the Deliverables to make them non-infringing without loss of functionality; or (c) replace the infringing elements with non-infringing equivalents.

6.4 The Client shall not reverse engineer, decompile, or disassemble any software components that constitute the Service Provider's Background IP.

ARTICLE 7 — CONFIDENTIALITY AND NON-DISCLOSURE

7.1 Each party (as "Receiving Party") agrees to: (a) hold all Confidential Information of the other party (the "Disclosing Party") in strict confidence using no less than the same degree of care it uses to protect its own confidential information, but in no event less than reasonable care; (b) not disclose any Confidential Information to any third party without the prior written consent of the Disclosing Party; and (c) use the Confidential Information solely for the purpose of performing its obligations or exercising its rights under this Agreement.

7.2 The obligations of confidentiality shall continue for a period of five (5) years after the expiration or termination of this Agreement, and indefinitely with respect to any information constituting trade secrets under applicable law.

7.3 The Receiving Party may disclose Confidential Information to its employees, contractors, and professional advisers who have a strict need to know, provided such persons are bound by confidentiality obligations at least as protective as those in this Agreement.

7.4 The Receiving Party must notify the Disclosing Party immediately upon becoming aware of any actual or suspected unauthorised disclosure of Confidential Information, and shall take all reasonable steps to mitigate any harm caused thereby.

ARTICLE 8 — NON-COMPETE AND NON-SOLICITATION

8.1 During the Term and for a period of twenty-four (24) months following the termination or expiration of this Agreement, the Service Provider shall not, directly or indirectly, engage in, own, manage, operate, control, be employed by, or provide services to any business that directly competes with the Client's core ERP business operations in the United States, India, Singapore, and the United Kingdom.

8.2 During the Term and for a period of eighteen (18) months following termination, neither party shall directly or indirectly solicit, recruit, or hire any employee or contractor of the other party who was involved in the performance of this Agreement, without the prior written consent of the other party.

8.3 The parties acknowledge that the restrictions in this Article are reasonable and necessary to protect the legitimate business interests of the Client, given the highly sensitive nature of the technical knowledge and proprietary information to which the Service Provider will be exposed.

ARTICLE 9 — FORCE MAJEURE

9.1 Neither party shall be liable for any failure or delay in the performance of its obligations under this Agreement to the extent such failure or delay is caused by a Force Majeure Event. A "Force Majeure Event" means any event beyond a party's reasonable control, including but not limited to: acts of God, war, terrorism, civil unrest, earthquake, flood, pandemic, epidemic (including any resurgence of COVID-19 or emergence of a new pathogen), government sanctions, export control restrictions, cyberattacks on critical national infrastructure, nationwide internet outages, or actions of governmental authorities.

9.2 The party claiming a Force Majeure Event must: (a) notify the other party in writing within forty-eight (48) hours of the commencement of the event; (b) use all reasonable endeavours to mitigate the effects of the Force Majeure Event and resume performance as soon as reasonably practicable; and (c) provide weekly written updates on the status of the Force Majeure Event.

9.3 If a Force Majeure Event continues for more than ninety (90) consecutive days, either party may terminate this Agreement upon thirty (30) days written notice without liability, except for payment obligations accrued prior to the Force Majeure Event.

9.4 Geopolitical risks including trade wars, international sanctions imposed by the United States, United Nations, or European Union, and changes in government export licensing requirements shall be classified as Force Majeure Events for the purposes of this Agreement.

ARTICLE 10 — LIQUIDATED DAMAGES AND PENALTIES

10.1 Time is of the essence with respect to all milestones set out in Schedule B. If the Service Provider fails to deliver any milestone by the date specified, the Client shall be entitled to deduct from the monthly retainer liquidated damages at the rate of USD 15,000 (Fifteen Thousand United States Dollars) per day of delay for each milestone, up to a maximum of 20% of the total contract value.

10.2 The parties agree that the liquidated damages specified in Clause 10.1 represent a genuine and reasonable pre-estimate of the loss likely to be suffered by the Client as a result of delayed delivery, and are not intended as a penalty.

10.3 The Service Provider shall pay a penalty of USD 75,000 (Seventy-Five Thousand United States Dollars) for each material data breach caused by its negligence that results in the exposure of the Client's customers' personal data, up to a maximum aggregate penalty of USD 500,000 per calendar year.

10.4 Acceptance of liquidated damages by the Client shall not constitute a waiver of any other rights or remedies available to the Client under this Agreement or applicable law.

ARTICLE 11 — TERMINATION

11.1 Termination for Convenience: The Client may terminate this Agreement at any time upon sixty (60) days prior written notice to the Service Provider. Upon such termination, the Client shall pay the Service Provider for all Services properly performed up to the date of termination, plus reasonable demobilisation costs not to exceed one (1) month's retainer.

11.2 Termination for Cause: Either party may terminate this Agreement immediately upon written notice if: (a) the other party commits a material breach and fails to cure such breach within thirty (30) days of written notice specifying the breach in detail; (b) the other party becomes insolvent, enters administration, liquidation, or makes an assignment for the benefit of creditors; or (c) the other party commits fraud, gross negligence, or wilful misconduct.

11.3 Termination for Regulatory Non-Compliance: The Client may immediately terminate this Agreement if the Service Provider fails to obtain or maintain any required regulatory certification, licence, or approval necessary to perform the Services, including but not limited to ISO 27001 certification and SOC 2 Type II attestation.

11.4 Upon termination for any reason: (a) all licences granted under this Agreement shall immediately terminate; (b) each party shall promptly return or destroy all Confidential Information of the other party; (c) the Service Provider shall deliver all Deliverables completed as of the termination date; and (d) all accrued payment obligations shall survive termination.

ARTICLE 12 — REPRESENTATIONS AND WARRANTIES

12.1 Each party represents and warrants that: (a) it has full legal authority to enter into and perform this Agreement; (b) the execution and performance of this Agreement does not violate any applicable law, regulation, court order, or third-party agreement to which it is a party; and (c) it is not subject to any sanctions, debarment, or export control restrictions that would prevent it from performing its obligations.

12.2 The Service Provider additionally warrants that: (a) the Services shall be performed in a professional and workmanlike manner by qualified personnel; (b) the Deliverables shall conform to the specifications set forth in Schedule A for a warranty period of twelve (12) months following acceptance; (c) the software shall be free from material defects, malicious code, backdoors, and undisclosed security vulnerabilities; (d) the Service Provider maintains adequate professional indemnity insurance of no less than USD 5,000,000 per occurrence; and (e) all Deliverables shall be original works and shall not infringe any third-party rights.

ARTICLE 13 — DISPUTE RESOLUTION AND ARBITRATION

13.1 In the event of any dispute, controversy, or claim arising out of or in connection with this Agreement, including any question regarding its existence, validity, or termination, the parties shall first attempt to resolve such dispute amicably through good faith negotiations at the senior management level for a period of thirty (30) days from the date one party provides written notice of the dispute to the other.

13.2 If the dispute is not resolved within the period specified in Clause 13.1, either party may submit the dispute to final and binding arbitration administered by the Singapore International Arbitration Centre (SIAC) in accordance with the SIAC Arbitration Rules 2025. The seat of arbitration shall be Singapore. The language of arbitration shall be English. The tribunal shall consist of three (3) arbitrators, each party appointing one, and the two party-appointed arbitrators appointing the presiding arbitrator.

13.3 The parties agree to keep all arbitration proceedings, submissions, evidence, and awards strictly confidential, except as required by law or regulation.

13.4 Notwithstanding the foregoing, either party may seek emergency interim relief from any court of competent jurisdiction to prevent irreparable harm pending the constitution of the arbitral tribunal.

13.5 The award of the arbitral tribunal shall be final and binding on the parties and may be enforced in any court of competent jurisdiction. Each party irrevocably waives any right to appeal the arbitral award.

ARTICLE 14 — GOVERNING LAW AND JURISDICTION

14.1 This Agreement and all disputes arising under or in connection with it shall be governed by and construed in accordance with the laws of England and Wales, without regard to its conflict of law principles.

14.2 For matters not subject to arbitration under Article 13, the parties irrevocably submit to the exclusive jurisdiction of the courts of England and Wales.

14.3 The United Nations Convention on Contracts for the International Sale of Goods (CISG) shall not apply to this Agreement.

ARTICLE 15 — DATA PROTECTION AND CYBERSECURITY

15.1 Each party shall comply with all applicable data protection laws in the jurisdictions where it operates, including the GDPR, CCPA, India's Digital Personal Data Protection Act 2023, and Singapore's PDPA.

15.2 The Service Provider shall implement and maintain industry-standard technical and organisational security measures, including AES-256 encryption at rest, TLS 1.3 in transit, multi-factor authentication, and annual third-party penetration testing.

15.3 In the event of a personal data breach, the Service Provider shall notify the Client within twenty-four (24) hours of discovery, and shall cooperate fully with the Client in notifying affected individuals and relevant supervisory authorities within statutory timeframes.

15.4 The Service Provider shall not transfer any personal data of the Client's customers outside the country of origin without the prior written consent of the Client and the implementation of appropriate transfer mechanisms including Standard Contractual Clauses where required.

ARTICLE 16 — ASSIGNMENT AND SUBCONTRACTING

16.1 Neither party may assign, transfer, novate, or otherwise dispose of any of its rights or obligations under this Agreement without the prior written consent of the other party, which shall not be unreasonably withheld or delayed.

16.2 The Service Provider may subcontract specific technical tasks to pre-approved subcontractors listed in Schedule C, provided that: (a) the Service Provider remains fully liable for all acts and omissions of its subcontractors; (b) subcontractors are bound by confidentiality and IP ownership obligations at least equivalent to those in this Agreement; and (c) the Client is promptly notified of any change in the subcontractor roster.

16.3 Any change of control of the Service Provider (whether by merger, acquisition, or otherwise) shall be deemed an assignment requiring the Client's prior written consent.

ARTICLE 17 — ENTIRE AGREEMENT AND AMENDMENT

17.1 This Agreement, together with all Schedules attached hereto, constitutes the entire agreement between the parties with respect to its subject matter and supersedes all prior agreements, understandings, negotiations, representations, and warranties, whether oral or written, relating thereto.

17.2 No amendment, modification, or waiver of any provision of this Agreement shall be valid or binding unless made in writing and duly signed by authorised representatives of both parties. No oral agreement or course of dealing shall modify or waive any provision of this Agreement.
